

## PRIVATE TRAINING LESSONS

Extra soccer training is available to players at a cost, NOKC has several approved trainers who have time available to help players improve their game. These qualified trainers work with 1-6 players max. It is preferable to have at least two players to help in 1v1s plus it puts the costs down. Private lessons are only for serious minded soccer players who want to step their game up to the next level.

Costs are:

One players – One session only \$50 per player

Two players- One session only \$25-30 per player

Three players- One session only \$25 per player

Four players- One session only \$20 per player

Players are asked to book in advance, we ask that players book a minimum of 4 sessions. Players who do not book at least 4 sessions will be asked to pay higher fees per session.
