## Under 6 guidelines

Last Updated March 8<sup>th</sup>, 2011

-Just a few things to remember:

TEAMS MUST BE ON SEPARATE SIDELINES.

HOME TEAM MUST BE ON THE NORTH OR WEST SIDE OF THE FIELD.

-Only one coach is permitted on the field from each team. Please do not let parents interfere with play.

-Each game has 4-12 minute quarters with 2-minute breaks between quarters and a 5-minute half time.

-Games may be rescheduled only by agreement of the coaches. Do not stand up another team. Please have the courtesy to give the other coach advance notice of a reschedule. Do not assume the game is cancelled unless 1) the coordinator calls you 2) you called the rainout number 3) you have spoken to opposing coach.

-Reschedules are best handled by being scheduled on one of the team's practice nights on their assigned fields. This should be agreed upon by both coaches.

-There is no jewelry allowed. Casts are allowed but must be covered with a soft wrap (bubble wrap, towel or blanket). We do not have referees in this division; we are counting on you as coaches to handle these guidelines for the safety of every child.

-Shin Guards are required!

-New Option: as you all organize your "Snackmaster schedule" let your parents know that they have the option to buy drink tickets in our concession stand!

-Rainout number: 751-7368

-Coaches are in charge of their own sidelines; please do not allow your parents to get out of control. Please encourage your parents to say only positive things to their child and their team. Under six games should be about learning to love the game of soccer in a positive atmosphere.

-NO Slide tackling allowed in U6

-U6 division is a co-ed division and may have a boys team playing girls team throughout the season.
